Apple and Horseradish Cheeseball

Your taste-buds will be delighted with the unusual combination of naturally sweet apple juice and the hearty kick of horseradish. Pair with fish or pork. Is the perfect match for a cheeseboard, the balance of flavors works well with a variety of cheeses and meats.

Ingredients

- 1 jar of Terrapin Ridge Farms Apple Horseradish Jam
- 1 8 oz. cream cheese, softened
- 1 cup Monterey Jack Cheddar Cheese, finely shredded and divided

Preparation

Combine cream cheese, Terrapin Ridge Farms Apple and Horseradish Jam and 1 cup of the shredded cheese. Shape into a ball. Roll in remaining cheese, cover and refrigerate until serving. We like to add about a table-spoon of Apple and Horseradish Jam to the top of the cheeseball before serving.
